PHSA Wide January 2025-March 2025

Current Rate*: January 1, 2025-March 31, 2025 2024-Q4	53.7%
Previous Rate: October 1, 2024-December 31, 2024 2024-Q3	52.5%
Goal	100%

* Hand hygiene rates are based on observations of staff practicing hand hygiene before and after patient care, as seen by auditors.

** Different units are audited each quarter to measure hand hygiene compliance. The principles that guide the selection of the units include previous data trends, feasibility to apply the observational auditing methodology and the trends associated with increased risk of transmission of pathogens in health care settings.
