

CARECONNECT QUICK START GUIDE - Authorizer

CareConnect is a province-wide electronic health record (EHR) viewer that enables health care providers to access key patient information and records from various systems all-in-one place.

This guide outlines the steps involved in applying for CareConnect access as an Authorizer (e.g., Physician, Nurse Practitioner or Registered Nurse). An authorizer must have completed all the CareConnect user enrolment requirements, and have been provisioned access to CareConnect, prior to being able to authorize access for an On-Behalf-Of user. Before beginning your enrolment process you must have a BC Services Card (BCSC) Account. Visit the BCSC website to learn how to create an account.
