

EWQA AUDIT APPLICATION FORM

We are applying for the Provincial Health Officer's approval to conduct drinking water testing in compliance with the BC Drinking Water Protection Act and Regulation (2003).

Our laboratory is currently performing drinking water testing (check one) Yes No

Our laboratory is currently subscribing to a Proficiency Testing program (check one) Yes No

We are submitting the application package in the following format (check the appropriate box)

Please indicate that the following documents are included in the application package

- A completed **EWQA Audit Application Form**
- A completed **EWQA Pre-audit Questionnaire**
- A completed **EWQA Self-Assessment Questionnaire**
- External Proficiency Testing (CMPT) results
- Our laboratory's Standard Operating Procedures (SOPs) relevant to drinking water testing, including quality management system SOPs

We understand that EWQA Auditors are committed to maintaining confidentiality and upon completion of the audit, will securely dispose of the application materials, or return them in full at our request.

We understand that one full application package will be held on file in the EWQA office for the duration of the certification period. SOPs will only be used by EWQA in any decisions regarding the laboratory.

We will cooperate fully in the on-site assessment and pay the assessment fee.
