

## Zoom Recording Consent Notification

This Zoom session will be recorded and shared for training or educational purposes. Your information is collected, shared and disclosed under the authority of sections 26(c) and (e), 32(a), 33 (2)(d) of the BC Freedom of Information and Protection of Privacy Act (FIPPA).

Please note this recording will be stored on Zoom cloud servers in Canada for one year. In accordance with FIPPA, PHSA has completed a privacy and security assessment to make sure that safeguards are in place to protect your personal information. However, as with all cloud-based solutions, there are potential security or privacy risks, such as malware attacks caused data leakage, unauthorized access from hackers, that the platform could disclose your personal information without notifying PHSA. By consenting to being recorded, you acknowledge that you are aware of this risk.

If you wish to proceed with the Zoom recording, please click "I Agree"; if you are not willing to give us your consent, please tell your health provider and they will stop recording.

### **This meeting is being recorded by the host or a participant**

This Zoom session will be recorded and shared for training or educational purposes only and will not be stored in your medical record. Your information is collected, shared and disclosed under the authority of sections 26(c) and (e), 32(a), 33 (2)(d) of the BC Freedom of Information and Protection of Privacy Act (FIPPA).

Please note this recording will be stored in Canadian Zoom cloud servers for one year. In accordance with FIPPA, PHSA has completed a privacy and security review to make sure that safeguards are in place to protect your personal information. However, as with all cloud-based solutions, there are potential security/privacy risks, such as malware attacks or unauthorized access from hackers so that your personal information is given without notification to PHSA. By consenting to being recorded, you acknowledge that you are aware of this risk.

Please click on the popup to consent or tell your provider if you do not consent and they will stop the recording.
